GEMS STOLEN FROM AUTO.

Mrs. Wilson Reports Handbag Gone With \$200 and \$1,000 in Jewelry.

Mrs. Lillian G. Wilson of No. 1821 Water Street, Glen Morris, L. I., has asked the Brooklyn police to find a handbag containing \$200 and \$1,000 worth of jewelry, lost or stolen from her automobile last night while returning home from a Brooklyn theatre.

The police were also asked to look for three men who, according to Arthur A. Hagerman of No. 83 Crook Avenue, South Brooklyn, assaulted him last night at Crook and Ocean Avenues and robbed him of his watch, a diamond scarfpin and \$50.

PHYSICIAN PARALYSIS VICTIM.

Washington Doctor Dying of Attack of Poliomyelitis.

WASHINGTON, Oct. 5.—Hope has practically been abandoned of saving the life of Dr. Arthur L. Hunt, a health inspector for contagious diseases for the District of Columbia, who is dying from infantile paralysis.

Dr. Hunt came in contact last July with his only known case of poliomyelitis. He developed the disease last Friday.

Saved by Lung Motor.

Accidentally disconnecting the tube of a gas stove, Philip Lieberman, fifty-five years old, of No. 371 South Second Street, Williamsburg, was overcome by gas early to-day. Policemen aided by his wife gave him first aid until a hospital surgeon arrived with a lung motor. Lieberman will recover.

LIFE AND DEATH RUB ELBOWS

Crash of Man Killed First Sound in New Baby's Ears.

Coming downstairs early to-day from No. 78 Catherine Street, where he had just assisted another Fourth Ward voter into the world, Dr. Sherman of Volunteer Hospital heard a crash across the street.

The noise was caused by the fall of William Russell, sixty-eight years old, from a third floor window of No. 77 Catherine Street. Russell had gone to sleep sitting in his window. He was dead when the doctor reached him.

OBITUARY NOTES.

Major William Warner, aged seventy-six, former United States Senator and Missouri Republican leader for thirty-five years, is dead at Kansas City.

Frank G. Stiles, aged seventy-five, Vice President of the Manhattan Savings Institution and connected with it for fifty-seven years, died yesterday at New Rochelle.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

Hurry, Mother! Remove poisons from little stomach, liver, bowels.

Give "California Syrup of Figs" if cross, bilious or feverish.

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without gripping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."—Advt.

one of the pioneers in modern skyscraper construction, died in Pittsburgh, aged fifty-seven.

George A. Joslyn, President and principal stockholder of the Western Newspaper Union, died yesterday at Omaha.

Don't Poison Baby.

FORTY YEARS AGO almost every mother thought her child must have PAREGORIC or laudanum to make it sleep. These drugs will produce sleep, and a FEW DROPS TOO MANY will produce the SLEEP FROM WHICH THERE IS NO WAKING. Many are the children who have been killed or whose health has been ruined for life by paregoric, laudanum and morphine, each of which is a narcotic product of opium. Druggists are prohibited from selling either of the narcotics named to children at all, or to anybody without labelling them "poison." The definition of "narcotic" is: "A medicine which relieves pain and produces sleep, but which in poisonous doses produces stupor, coma, convulsions and death." The taste and smell of medicines containing opium are disguised, and sold under the names of "Drops," "Cordials," "Soothing Syrups," etc. You should not permit any medicine to be given to your children without your or your physician's knowledge of what it is composed. CASTORIA DOES NOT CONTAIN NARCOTICS, if it bears the signature of Chas. H. Fletcher.

Genuine Castoria always bears the signature of Chas. H. Fletcher
